MULTI-CHANNEL MARKETING OPPORTUNITIES TO EXTEND YOUR BRAND REACH AND DEVELOP NEW BUSINESS

Whether you want to WIN PROJECTS,
GET YOUR PRODUCTS SPECIFIED or
REACH OUT to the most important
DECISION-MAKERS in the UK,
you'll find more decisions go in your
favour when you influence buyers with
our marketing opportunities.

The Audience	2
Opportunity Overview	3
Online Platform	4-7
Bulletin Promotions	8-9
Business Address Books	10-11
Marketing Subscriptions	12-13

WIN PROJECTS • GET SPECIFIED • REACH OUT FOR NEW BUSINESS

Our market research team has over 25 years' experience identifying decision-makers in key and complex organisations, including consultants, contractors, government agencies and commercial organisations.

Relationships established over many years give us a huge advantage when identifying key players. People tell us what they're doing, what their interests are and how their organisations are structured. It's a time-consuming process, but it helps us make sure our clients are reaching the decision-makers with the most significant purchasing power.

You can reach and influence our audience through our website, email bulletins, social media platforms and direct marketing services.

We market our clients' expertise to leading designers, specifiers and buyers

Whether you want to increase brand recognition, get your products specified, drive traffic to your website or generate high-quality leads for your sales teams, we have a solution to help you grow and protect your share of the UK market.

ONLINE PLATFORM 4-7
Leverage the BUILDING DESIGN online platform to give buyers detailed information on your key products and services without adding to your personal workload.

BULLETIN PROMOTIONS 8-9
Build trust in your brand by promoting your expertise and capabilities to an engaged, professional audience interested in keeping up-to-date with sector innovations.

BUSINESS ADDRESS BOOKS 10-11
Use our business lists and direct marketing services to talk directly with your target audience, drive traffic to your website and generate high-quality leads for your sales team.

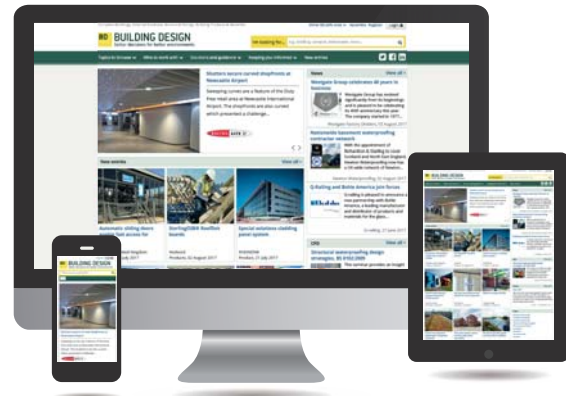

MARKETING SUBSCRIPTIONS 12-13
Increase your visibility and get more decisions going in your favour with a value-added marketing subscription.

// We have been with *ESL.info* for many years and I would not hesitate to recommend them as partner for any company. They have a clear strategy and focus which is geared around their clients' needs. //

Take advantage of the BUILDING DESIGN online platform to extend your brand reach and influence without adding to your personal workload.

Reach designers, specifiers and buyers who trust and value the quality of information we deliver. By giving them qualified choice, we cut out the headache associated with visiting multiple websites to find new suppliers to work with.

Whether you're an established market leader or an innovative start up, we can make sure that buyers have access to well-presented, detailed information on your most important products and services whenever they need it.

BUILDING DESIGN is a responsive website with dynamic navigation optimised for desktop, tablet and mobile.

The screenshot shows the BUILDING DESIGN website interface. At the top, there's a search bar and navigation links. The main content area is divided into several sections: 'New entries' with a grid of product images and titles like 'Automatic sliding doors', 'SterlingOSB® RoofDek boards', and 'Special solutions cladding panel system'; 'News' with articles such as 'Westgate Group celebrates 40 years in business' and 'Nationwide basement waterproofing contractor network'; 'CPD' (Continuing Professional Development) section with a seminar on 'Structural waterproofing design strategies'; 'Events' section for 'Glee 2017'; and 'Topics' section listing various building-related categories like 'Offsite construction', 'Complete buildings', and 'Structural elements'.

BUILDING DESIGN online helps buyers reach faster, better quality decisions about who and what to work with.

Illustrate your key products and services to create new business opportunities – over 90% of all products and services selected and viewed are illustrated.

What you get as a subscriber

- 1 Content experts to build your microsite and manage your entries for you.
- 2 Your branding on every entry with contact details, social media links, an enquiry form and tools to help buyers progress their interest.
- 3 Up to 12 illustrations per entry, captioned to maximise understanding and engagement.
- 4 Fast facts to help buyers find and understand your business proposition quickly and efficiently, with copy spec functionality for products.
- 5 Downloads and videos to educate and inform.
- 6 Links to related products, projects and services to maximise cross-selling opportunities.
- 7 High-quality links to deep pages on your website to boost your rank in search engine results.
- 8 No promotion of alternative suppliers on your online pages.
- 9 Prioritised ranking in category search results to maximise exposure and engagement opportunities.
- 10 External promotion to search engines.
- 11 Three month promotion of new entries to increase your brand reach and influence.
- 12 Promotion in BUILDING DESIGN email bulletins and social media sites.

We provide a full content editing and production service. Tell us what you'd like to promote and we'll do the work for you.

This screenshot shows a detailed product entry for 'External wall / rainscreen cladding' by RHEINZINK. The entry includes a navigation menu with options like 'Overview', 'Products', 'Projects', and 'Downloads'. It features a grid of 12 images showing different cladding systems and materials. The product name is prominently displayed, along with contact information for RHEINZINK UK. The layout is clean and professional, highlighting the visual appeal of the products.

Buyers can discover and engage with any of your promoted products and expert services from your company microsite.

This screenshot shows another product entry for 'Special solutions cladding panel system' by RHEINZINK. It features a large image of a modern building facade with the cladding system. The entry includes a detailed description of the system, contact information, and a 'Send email' button. The layout is consistent with the previous product entry, providing a clear and engaging presentation of the product.

Detailed illustrated information with downloads and links to related entries to maximise your new business opportunities.

ESI.info's content management system is used to enhance your online content and give you metrics on online entry views, downloads and bulletin promotions.

What you get as a registered user

- 1 Access to metrics:
 - online entries selected and viewed
 - downloads requested
 - bulletin opens and click throughs
- 2 An interface to manage your company brand, with the ability to add multiple logos and to specify social media links.
- 3 An address management centre where you can add regional and agent addresses in the UK and abroad.
- 4 Access to your published online entries with filters to refine by category, entry type or published status. Clicking through to the detail page, allows you to:
 - edit descriptions, snippets and keywords
 - check and add key data
 - add or suppress illustrations
 - download illustrations
 - add downloads and videos
 - link to related entries
 - specify outbound links to pages on your website
- 5 A management interface that makes it easy to book and schedule slots for bulletin promotions and monthly features.
- 6 Details of your marketing subscription.

FULL EDITING AND PRODUCTION SERVICE

We provide a full content editing and production service for all value-added subscriptions. All you need to do is to tell us what you'd like to promote and we'll do the work for you.

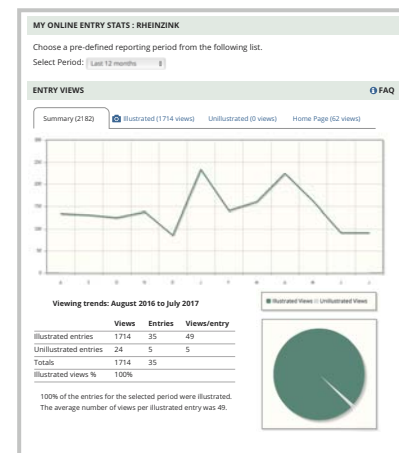

ONGOING CONTENT CURATION

Once you're up and running, we proactively manage your content for you, checking for changes on a regular basis. If you rebrand, update your downloads or launch a new website, we pledge to update your content on our website within seven days of being notified.

 - Filters: Category filter (All categories), Entry type filter (All types), Publishing Status (Live (43)), Order by (Illustrated, A-Z).
 - Entries:
 - Facade system - Millennium Point, Birmingham (BD):** Rheinzink provided a 3000m2 angled standing seam system for the facade of Millennium Point in Birmingham. It has a pre-weathered blue-grey finish. Millennium Point has refreshing new ideas, centred on science, technology, innovation and learning and is a hub for creative thinking... (Project (External wall / rainscreen cladding), Last edited by: ESI.info on 02/06/2017)
 - Flat Lock cladding tiles (BD):** Rheinzink Flat Lock rectangular cladding tiles are suitable for installation on large facades. In contrast to plates or shingles with a similar optical effect, they have tilt-outs on the upper side and tilt-backs on the underside, which form simple seams. They can be produced manually or industrially in four standard sizes with specials to order... (Product (External wall / rainscreen cladding), Last edited by: ESI.info on 14/08/2017)
 - SP LINE innovative facade system (BD):** The Rheinzink® SP LINE facade system offers a high-quality facade alternative to traditional wood, stone and artificial building materials. The system is composed of a base panel and pre-fabricated connection profiles. It can be seamlessly integrated into the building envelope, giving an aesthetic, contemporary finished appearance: simple and... (Product (External wall / rainscreen cladding), Last edited by: ESI.info on 12/03/2017)

Your content on all ESI.info websites is managed through the CMS.

Metrics show you how your online entries are performing.

REQUEST A DEMO

If you would like a demo to find out what we could do for you, please call us on **0131 586 4466** or email marketing@esi.info and we will set up a meeting at a time to suit you.

Buyers use BUILDING DESIGN online because it helps them make better decisions about what to use and who to work with – that means detailed information supported by downloads, case studies and tools to help them explore, refine and choose the right solution for their project.

What we'll do for you

We'll make sure detailed information on your key products and services is available to buyers when they search BUILDING DESIGN to find materials and partners for their projects.

PROCESS

Consult

- Clarify your marketing goals and challenges
- Identify key products and services you want to promote
- Prepare a content-driven plan to support your objectives

Promote

- We create any new entries you need
- Improve existing entries as required
- Enrich entries with illustrations, downloads and videos
- Cross reference to maximise sales opportunities

Support

- Check objectives are being met through regular reviews
- Help you market what's new on an ongoing basis

Your website is impressive! Just what I often need, for both residential and commercial clients.

Sophie Bullock,
Director, Marwood Surveyors

A fast and powerful tool that enables me to research topics of specific relevance to my design and construction projects, and build a tailored library of information.

William Bolton,
Senior Architect,
Inverclyde Council

BENEFITS

- Buyers get a unified view of your products, services and expertise
- Your key products and services are illustrated and described in detail
- Your information is dynamically linked to maximise your cross-selling opportunities

BUILDING DESIGN bulletins are sent to professional decision-makers who are interested in keeping up-to-date with sector innovations.

Any illustrated entries that are published on the BUILDING DESIGN website can be promoted including case studies, products, articles, CPD courses and news posts.

Promoting your products and services through bulletins is a great way to increase your brand's reach and generate tangible returns on your marketing investment.

When you are promoted in a bulletin, you can gauge the quality of your exposure through your metrics dashboard. We report the job title, company and location of everyone who opened the bulletin and clicked through to your promoted project, product or service.

There is an engaged, professional audience interested in keeping up-to-date with sector innovations. BUILDING DESIGN bulletins are a great way to promote your expertise, build trust in your brand and keep your company front-of-mind.

What we'll do for you

We'll make sure anything you do that is new and interesting is highlighted and promoted to your core target audience through our bulletins and social media channels.

PROCESS

Plan

- Identify products or services you want to promote
- Reserve and schedule your slots in less than a minute

Promote

- Prepare the bulletin for publication
- Proof and check your entry to ensure you're presented to best advantage
- Mail the bulletin to professional buyers and specifiers
- Post links to your promoted entries on BUILDING DESIGN Twitter and Facebook accounts

Report

- Show you the job title, company and post town of everyone who has opened the bulletins and who has clicked through to your entry so you can gauge ROI

Thank you. It looks good! I recognised one company we've recently had an enquiry from.

Dorota Smilgin, Marketing Manager,
Kee Safety Ltd

Your ebulletins are great – got me looking at a few websites which might be useful when specifying – thanks for opening up my world a bit!

Sheena Raeburn, Director,
Ian White Associates

Thank you for featuring our Regents Place case study in your ebulletin. Within an hour of the ebulletin being sent we received an enquiry over the phone for grilles. We are always very impressed with the results we see from our coverage on ESI websites. However, to receive an enquiry within such a short time-frame really proves how effective interacting with your audience can be.

Kent Stainless (Wexford)

BENEFITS

- Builds trust in your brand
- Extends your reach and influence
- Creates new business opportunities
- Drives traffic to your website
- Seeing the audience you've reached and who's clicked for more information makes it easier for you to assess ROI

ESI.info has an unrivalled database of professional designers, specifiers and buyers that you can leverage to maximise returns on your marketing campaigns.

Decision-makers in key and complex organisations, including local authorities, and leading consulting, contracting and client organisations are thoroughly researched and checked each year.

Taking advantage of our address books of qualified contacts ensures your email campaigns reach the decision-makers and influencers that matter to you.

Contacts can be selected by business activity, job function or geographical location. Address books can be deduplicated against your own contacts to give you new business opportunity files.

Business List Rental Rates

Cost per '000 business contacts

Platinum marketing subscription	£275
Gold marketing subscription	£325
Silver marketing subscription	£450
Bronze marketing subscription	£525

Business contact lists include full address, telephone, direct business email and segmentation codes. For Gold and Platinum subscriptions, contacts are included in the subscription costs.

29,033 PROFESSIONAL DECISION MAKERS AND INFLUENCERS

CONSULTANTS	19,825
Architects	14,500
Architectural technologists	1417
Engineers	1775
Surveyors	2038

You can supply any emails you want to include or exclude from your campaigns. Address books can be deduplicated against your own contacts.

HIGH-QUALITY LISTS

We don't supply generic emails - 95% of our contacts have personal business email addresses. Full postal addresses are available for the most influential contacts.

MANAGED CAMPAIGNS

ESI.info runs professional mailing campaigns for clients. We can use your email html or one of our mobile-optimised template designs. Details on request.

Whether you want to drive traffic to your website, launch a new product or service, or simply reach a wider audience for your news and promotions, we can create a customised email address book to help you achieve your objectives.

What we'll do for you

We'll create high-quality address books to help you maximise returns from your direct marketing activities.

PROCESS

Plan

- Plan a campaign or series of campaigns
- Tell us who you want to target or call us to talk through your requirements and explore possibilities
- Let us know when you need the address books

Search and select

- We select contacts to match your target customer profile by business sector, job function or location
- Process any contacts you want to include or exclude
- Provide you with a summary report for approval
- Finalise the contact selection for you

Deliver

- Provide you with reports and an excel file to import into your email or CRM system. Contacts are classified by business activity, job role and location, making it easy for you to segment your datasets.

Managed campaign case study

- Business email address books from ESI Direct
Client: Newton Waterproofing Systems
- 11 managed email campaigns
 - 95.33% of emails delivered
 - 28,007 unique opens
 - 2901 link clicks to find out more

With gone-aways at a minimum and response levels well above average, ESI.info is a company that truly understands the market and has the capability of compiling a selection of named contacts that matches client needs. I continue to value the additional insights they provide.

Nick Gill, Client Services Account Director,
CIB Communications Ltd

BENEFITS

- High-quality business lists ensure you maximise the effectiveness of your email and direct marketing campaigns
- Generate high-quality leads for your sales team
- Build brand awareness
- Drive traffic to your website
- Easily quantify return on investment

Whether you want to win projects, get your company specified or proactively target professional decision-makers, you'll find more decisions go in your favour when you influence your audience with one of our value-added marketing subscriptions.

Making it easy for you

Paid-for subscribers are provided with a full production service.

We will create and enhance entries for any products and services you want to promote up to your annual full entry production limit.

That means you don't have to worry about copywriting or managing your content, freeing you up to focus on business development.

We'll keep in regular contact to help you maximise promotional opportunities.

SUBSCRIPTION FAQs

REACH AND INFLUENCE

By illustrating your products and services online, you increase your reach by a factor of 10 – over 90% of entries viewed online are illustrated.

The higher the subscription you take, the more opportunities and benefits you get. Platinum accounts get up to 5000 contacts selected from ESI.info's prospect database to support sales and marketing campaigns.

PRIORITISED PROMOTION

Clients with paid-for subscriptions are promoted above free entries wherever possible.

Search rank is the default sort order in browse and search results. Illustrated entries are grouped by subscription and presented in a daily randomised order. The higher your ranking, the more likely you are to be selected and specified.

We promote alternative products and services from our clients if they are relevant on free entry pages.

Monthly features are given prime position on the BUILDING DESIGN home page carousel.

Interesting new illustrated projects and products, as well as entries featured in bulletins, are promoted through BUILDING DESIGN social media channels.

BULLETINS

Your subscription entitles you to the number of bulletins specified each year. It takes less than a minute to schedule a promotion. We'll remind you to make sure you don't lose opportunities inadvertently.

BUSINESS LISTS

Business list rental is included for Platinum accounts. If you are a client, you can rent lists tailored to your requirements. If you are interested in running email campaigns and don't have the in-house resources to manage the process, we can provide you with a fully managed service – more information on request.

COSTS

Annual charges apply per company or brand promoted through BUILDING DESIGN marketing channels. If you have multiple brands and/or operate in multiple market sectors, please ask for a quote. The minimum contract term is 12 months. Discounts are available for extended contract terms.

SERVICE & SUPPORT

Content Frameworks

WE BUILD IT means we create a content framework to cover the products and services you want to promote.

YOU BUILD IT means that you are responsible for managing your own online content. This applies to all free subscriptions which give a basic branded presence.

Full Entry Production

Online entries we compile for you will be customised to make them unique.

We provide full authoring services for paid-for subscriptions. At the start of each contract term, we create or optimise entries for the products and services you want to promote up to the specified annual limit.

Ongoing Account Reviews and CMS Support

Account reviews focus on making sure you are represented to best possible advantage.

Annual content audits for retained clients involve checking all your entries are still valid and optimising your entries wherever possible.

Managed news means we will monitor, publish and promote any press releases you send to editors@esi.info.

Major Changes Service is included as standard and fulfilled in five working days. It covers:

- New website launches
When you launch a new site, we check and update all the links from your entries to your website.
- Rebrands
We upload new logos, documents and files to reflect changes in your brand positioning.

Metrics

When you log into your dashboard, you can view metrics for your online entries and bulletin campaigns.

Lang+Fulton has subscribed to ESI's publications and websites since 2003. They have provided an invaluable market resource in reaching architects and landscape designers. The services provided have always been of the highest possible standard.

Heather Fulton,
UK Marketing Director,
Lang+Fulton

ABOUT ESI.INFO

ESI.info has been helping busy professionals create better environments for over 25 years.

We believe that whether it happens to be outdoors, indoors, commercial, industrial, public or residential, every great environment is based on sound decisions about who to work with and what materials to use.

We're here to support that decision-making process.

OUR CORE BELIEFS

- We believe in the power of environments to improve people's lives.
- Every environment has the potential to be better with the right products, partners and advice.
- The more we get to know our user-base, the better we can support their decision-making.
- Collaboration is the best way to build a collective knowledge base for efficient information exchange.
- Information only has merit when it can guide judgement and shape decisions.

ESI.info | better decisions for
better environments

Tell us what you need and we'll get on to it today.
